HEREBY MAKE MY STATEMENT AND GENERAL AFFIDAVIT DULY SWORN UPON OATH AND AFFIRMATION OF BELIEF AND PERSONAL KNOWLEDGE

that the following matters, facts and things set forth herein are true and correct to the best of my knowledge:

(A) I am the inventor of biofeedback medicine and the true and original creator of SCIO and EDUCATOR biofeedback systems, as well as the original developer and copyright holder of the software used for the SCIO and EDUCATOR biofeedback systems.

(B) Recently, it came to my attention that Mandelay Kft published, and is circulating, a photocopy of a document of unknown origin (*Permission Notice*) stating that Mandelay Kft allegedly obtained my 'consent for the intellectual property I own (...) to be used by Mandelay' as well as my acknowledgment regarding creating by Mandelay 'a software that reflects the spirit I represent'.

(C) Contrary to the allegations of MandelayKft, and contrary to what the said document of unknown origin (*Permission Notice*) suggests, I have NEVER SIGNED any such document and the signature on that document is NOT MINE. I have NEVER CONSENTED to the use of my intellectual property by Mandelay, NOR HAVE I ACKNOWLEDGED the creation of any software by Mandelay. Therefore, Mandelay's allegations and the said document of unknown origin (*Permission Notice*) are MISREPRESENTING my will and qualify as a MISAPPROPRIATION of my intellectual property, and the said document of unknown origin (*Permission Notice*) shall be NULL AND VOID IN PERPETUITY.

IN WITNESS WHEREOF, I have duly signed this affidavit this 22nd day of July month in the year of 2019 at Budapest city in Hungary country.
